The Safeguarding Office firstly recommend that all who minister and work in the Catholic Archdiocese of Sydney (CAS) become familiar with the Safeguarding and Child Protection Manual which includes all the Policies and Protocols of CAS. The Manual is available on both the CAS website under the Safeguarding tab as well as the Parish Intranet under the Safeguarding heading.

Following is an additional recommended reading list of papers and research documents that the Safeguarding and Ministerial Integrity Office have used to assist us in the writing of our training packages and other Safeguarding documents we have developed for the general interest and use of all within CAS.

The document is named in the left hand column in italics. In the right hand column we have listed the website and the link to where you can find the document.
